

Thank you!

We would like to say thank you to our staff, students and wider community for their efforts during Term two. It has been a term like no other and as it comes to a conclusion today we reflect on the outstanding efforts of our community to maintain our vision and support our students.

We are so proud of all our students, they are resilient, adaptable, versatile, determined and persistent. We have all learnt new skills and faced our own challenges, but together we have grown stronger.

We still have many challenges ahead and the future is still uncertain, but we have learnt that when we stay connected and support each other we can move forward.

Looking Forward

We have been working to try and provide our students with events to look forward to. Thanks to Christine Hooppell, we have booked some tentative dates for our Deb Ball and our Year 12 Formal.

In order to work with restrictions and limitations we have booked the Deb Ball for the 30th of October in Moama at Rich River Golf Club, and our Year 12 Formal at Dungula – Moama on the Murray for the 4th December. Should everything go well we believe these venues will provide us the capacity we require to hold these events. If restrictions change and the events cannot go ahead we will do our best to host the events here at school.

We appreciate the uncertainty and angst these events have caused to families and will aim to have more details to families early next term.

We will also be proceeding with a Year 10 camp to Bogong for 20 students in August and the Year 9 camp to The Summit in November as these are pre booked camps. More information will be forwarded to families shortly.
